Communications/Follow up Information from Last Meeting:

Exhibitions at Whiteface Lodge:

We had one great show at the lodge the Sat after Thanksgiving. We were treated like stars and we were provided us with all the Hot Chocolate we could drink and a contribution for the clubs programs. The adults and children had the best time and acted like the Pros they are. On Dec 12 we were to do a second performance however, on Tuesday when we went to practice...the Zamboni was broken. At that time the ice was not safe. It was fixed and they were working on the ice but it got very cold and snowy and I didn't think it would be in a condition that we could safely skate. So I cancelled for that date.

Holiday Stroll and Christmas Party:

Thank You to Pat for setting up and those wonderful cookies...and Lithe and Sue for cleaning up. Also, thank you Gina for helping Angie with the kids in the dressing room. A finally, thank you to our great coaches who prepared the kids for their cute little show. The Christmas Party was attended primarily by kids that were in the show and their families...many of the other children were in Potsdam for the competition.

Board Focus for 2009 Update:

Increase Volunteers:

Thank goodness...we didn't have to worry about that this month!!! We certainly have had a lot of volunteering associated with SCLP and I am grateful for everyone's support.

Increase Membership:

Membership:

Test Session:

We have date for ice on MLK day for at test session. Ollie and Rickie are contacting judges . As soon as we have confirmation we will start contacting clubs. There is a very big test session in Delaware that may compete with us in terms of getting judges

Update on Para Athletic Program:

We need a follow up meeting in Jan...and a plan for going to see the up and running program Gliding Stars in Saratoga.

David Drake Scholarship:

Still have to figure out a good time to give the winners their trophies... The Christmas Party did not work out.

Basic Skills / Winter Adult and Free Style:

We just ended out first session on Basic Skills...the adult program is ongoing. No complaints offered.

Report on Northern Counsel:

Second Hand Shop:

We are officially out of the second hand shop business. I sent out the e mails with receipt marked to the consignors and got two responses. I had to do a mailing. I presently have four left without addresses, only phone numbers.

New Business:

For Board Consideration and Action:

I have one suggestion for a fundraiser. What would you think of renting the Toboggan that goes onto Mirror Lake? We could ask for a deal price for one of his slow nights. It would be a family fun night with possibly some skating on the Lake? Ideas????
